▪ Student Network Responsibility Contract

THE FOLLOWING FORM MUST BE READ AND SIGNED BY STUDENT AND PARENT OR LEGAL GUARDIAN

By signing this Student Network Responsibility Contract, I, the undersigned, and my parent(s) and/or guardian(s) agree to abide by the following restriction, subject to disciplinary action. I have discussed these rights and responsibilities with my parent(s) and/or guardian(s).

Further, my parent(s) and/or guardian(s) and I have been advised that web sites accessible via the Internet may contain material that is illegal, defamatory, inaccurate, or potentially offensive to some people, although PCMS provides prudent and viable barriers to such sites in compliance with the Children's Internet Protection Act. While PCMS' intent is to make Internet access available to further its educational goals and objectives, account holders will have the ability to access other materials as well.

PCMS believes that the benefits to educators and students from access to the Internet, in the form of information resources and opportunities for collaboration, far exceed any disadvantages of access. But ultimately, the parent(s) and guardian(s) of minors are responsible for setting and conveying the standards that their student should follow. Questions should be directed to the PCMS office.

Student access to PCMS' network supports the school's mission as stated on our website. The specific conditions and services being offered will change from time to time. In addition, PCMS makes no warranties with respect to PCMS' network service and it specifically assumes no responsibilities for:

- A. The content of any advice or information received by a student from a source outside the school, or any costs or charges incurred as a result of seeing or accepting such advice;
- B. Any costs, liability or damages caused by the way the student chooses to use his/her Network access;
- C. Any consequences of service interruptions or changes, even if these disruptions arise from circumstances under the control of the School;
- D. While PCMS supports the privacy of electronic mail, students must assume that this cannot be guaranteed. All @pcms.tv accounts are owned and monitored by PCMS. No expectation of privacy.
